### **INCIDENT UPDATE: 9013 BELLFLOWER**

The Houston Fire Department was dispatched to a house (duplex) fire at 9013 Bellflower at 2:25 a.m. this morning, March 20, 2006. Firefighters arrived on location to find a one story duplex with heavy fire coming from the roof.

The fire was tapped out at 2:51 a.m. and resulted in an estimated \$20,000 in structural damage. The City's Dangerous Buildings Department was called to demolish the building. Two citizens were transported to the hospital and there were no other reported injuries.

HFD Arson Investigators have determined the cause of this fire as no offense due to unattended candles.
